

# PRODUCT DATA SHEET

## OZ-610 MINERAL 10W-30

ORIZONE 10W-30 (3LTR) API-SN Engine Oil Formulation:

Premium quality mineral-based engine oil formulated with advanced additive technology.  
With 100% virgin base oil

Product Benefits:

- Excellent protection against wear, rust, varnish and sludge deposits
- Provide high and low temperature performance
- Suitable for multi-grade oils recommended for passenger cars, vans, light duty trucks and sport utility vehicles
- suitable for diesel engines requiring an API SN performance.

Complete engine protection against:

- Starting friction
- Engine deposits
- Heat stress
- API-SN
- IL SAC GF-4

Physical Characteristics

Total Base Number (ASTM D2896)	8.5 mg KOH
Viscosity at 100°C (ASTM D445)	9.9 cSt
NOACK Volatility (ASTM D5800)	12.7 mass % lost
High Temperature High Shear at 150°C (ASTM D4683)	3 mPa·s HTHS150

Safety

Should be stored under cover and where outside storage is unavoidable to avoid the possible ingress of water and damage. Products shouldn't be stored up to 60°C direct exposed to hot sun or freezing conditions. Use gloves and avoid direct contact with skin, wash immediately with soap and water if unavoidable.

This data sheet and the information it contains is believed to be accurate but it may vary from time to time. However, no warranty or representation, express or implied, is made as to its accuracy or completeness. Data and information are provided always follow manufacturer's recommendations and specifications for viscosity grade and API service.
